

# Outreach to Public Libraries

The LLNE Service Committee is sponsoring a **book drive** to benefit public libraries in New England. The Service Committee has developed wish lists for each of the NE states.

In the interest of promoting access to the law and legal information, and guided by the Public Libraries Toolkit Collection Guidelines issued by AALL's Legal Information Services to the Public—Special Interest Section, we have developed the following wish list for a mini-collection of law books specific to the state of **Connecticut**:

We will collect donations **through the end of 2014**. New books are preferred, but recently superseded editions withdrawn from your own library's collections are also welcome. Monetary contributions to purchase books are appreciated too—checks may be made payable to LLNE (note in the memo: Public Libraries Book Drive).

Once this mini-collection is assembled, we will donate it to a public library in Connecticut. If we are fortunate enough to have duplicate copies, we will select other libraries in that state to receive a book donation.
