Dear Ms. Almeida & Friends,

On behalf of our Board of Directors, our staff and, most importantly, the veterans we serve, please accept our sincere appreciation for your in-kind donation of Gift Cards which you placed a value of \$555.

For over 27 years, Veterans Inc. has continued to rise to the occasion to serve our veterans with the same honor and dignity that they have shown us. We provide high-quality care and supportive services that meet the changing needs of our veterans and their families – services that have received national recognition.

Your support will help our agency provide these comprehensive services that enable our veterans to regain control of their lives. Throughout the years, Veterans Inc. has been on the vanguard of service delivery for thousands of veterans and their families. From opening the first shelter facility specifically for homeless female veterans to expanding homelessness prevention programming aimed at keeping veteran families stably housed, we have continued to upgrade our services to meet the changing needs of veterans. Veterans Inc. is now the first veteran non-profit organization in the country to operate a licensed substance abuse treatment center focused on veterans recovery, including inpatient stabilization, day treatment, and outpatient counseling.

Just as our soldiers are ever-vigilant on the battlefield, never resting on their laurels, we will not rest either. A national leader in the field, Veterans Inc. is dedicated to being there for our veterans, no matter the challenge. Support such as yours is the key to turning commitment and innovative ideas into positive change for our veterans.

Sincerely,

Amanda R. Herron

Director
